alcoholic beverages. Cash bar available.
Live music, photo booth and raffles!**

Our biggest fundraiser of the year helps fund transportation for senior citizens and disabled adults in Independence Township, Springfield Township and the Village of Clarkston. Rides provided through the Senior Community Center offer the community transportation to medical appointments, work, and provide the ability to participate in activities.

IT'S EASY TO SUPPORT BUCKS FOR BUSES!!

Visit Waterfall Jewelers in the Waterfall Plaza before September 30th. During their *Batteries for Charity* program, they are offering services including installation and watchband sizing, as well as cleaning, polishing and inspection of rings. All you need to do is make a donation, and that goes directly to the Bucks for Buses transportation services.
