FEATURED LOCAL ARTIST: Kelly Gagliardo

Kelly Gagliardo is a professional interior designer and ceramic artist. Her mission is to create functional aesthetics that enhance people's lives and bring them joy. Kelly is passionate about art education for all ages. Kelly loves all things art and began making pottery as a hobby nearly 10 years ago. She lived in New York and Washington D.C. before settling in Michigan with her husband and 5 year old twins. Through these moves she has had the opportunity to learn from numerous established artists and potters which expanded her skillset and creativity. Kelly sells her pottery in local Michigan shops and online. Additionally she teaches ceramic wheel throwing at the

Orion Art Center. When Kelly is not making art you can find her running the streets of Clarkston. She is an avid runner, outdoor enthusiast, and loves spending time with her family. Her portfolio of work can be viewed at: <https://kmgpottery.weebly.com> | www.facebook.com/KMGPOTTERY

Her main focus is hyper-realism but she finds joy in creating abstract pieces as well!
