IV. Plan Review Required

Plans must be submitted with an Application for Plan Examination and the appropriate deposit before a permit can be issued, except as listed below.

Plans are not required for the following:

1. When the electrical system rating does not exceed 400 amps and the building is not over 3,500 square feet in area.
If work being performed is described above, check box below "**Plans Not Required.**"

What is the rating of the service or feeder in ampere? _____
What is the building size in square footage? _____

Plans are required for all other building types and shall be prepared by or under the direct supervision of an architect or engineer licensed pursuant to 1980 PA 299 and shall bear that architect's or engineer's seal and signature.

Plan Review Project No. _____ **Plans Not Required**

V. Applicant Signature

Section 23a of the state construction code act of 1972, 1972 PA 230, MCL 125.1523A, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violators of section 23a are subjected to civil fines.

SIGNATURE OF CONTRACTOR OR HOMEOWNER (Homeowner signature indicates compliance with Section VI. Homeowner Affidavit)	DATE
EMAIL ADDRESS:	

VI. Homeowner Affidavit

I hereby certify the electrical work described on this permit application shall be installed **by myself in my own home** in which I am living or about to occupy. All work shall be installed in accordance with the Michigan Electrical Code and **shall not be enclosed, covered up, or put into operation** until it has been **inspected and approved** by the Electrical Inspector. I will cooperate with the Electrical Inspector and assume the responsibility to arrange for necessary inspections.

VII. Fee Clarification

Mobile Home Unit Site:

When setting a HUD mobile home in a park, a permit application must include a feeder. This shall be done by a licensed electrical contractor. When setting a HUD mobile home or a premanufactured home on private property, a permit application must include service and feeder.

VIII. Fee Chart - enter the number of items being installed, multiply by the unit price for total fee.
